

Parents Right to Know

In compliance with the requirement of the “No Child Left Behind” statute, the Harbor Springs Public School District informs parents that they may request the following information regarding the professional qualifications of their child’s teacher (s):

- whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- whether a teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived.
- the baccalaureate degree major of a teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.

The request for information concerning a child’s teacher’s qualifications may be obtained by contacting the Personnel Office at 231-526-4545.
