Brief Bio

I was born and raised in Traverse City, Michigan. I attended Michigan State University where I obtained my Bachelor of Science Degree in Earth Science and Biology and my teaching certificate in secondary education. My husband, Daniel Polleys, is the 6th Grade Language Arts teacher at Boyne City Middle School. We make our home in Petoskey and love being a part of three Northern Michigan communities.

I have been teaching in Harbor Springs since 2002 and I am very proud and excited to be here! When I am not teaching I enjoy being outdoors doing any number of activities- walking, jogging, roller-blading, playing tennis, hiking, biking, camping, cross-country skiing, and snowshoeing. I also enjoy reading, traveling, and cooking.
