Brief Bio

My name is Kelli Polleys. I teach 8th Grade Science and 8th Grade Great Lakes at Harbor Springs Middle School. I was born and raised in Traverse City, Michigan. I attended Michigan State University where I obtained my Bachelor of Science Degree in Earth Science and Biology and my teaching certificate in secondary education.

I am married to Daniel Polleys who is a 6th grade Language Arts teacher at Boyne City Middle School. I have been teaching in Harbor Springs since 2002 and I am very proud and excited to be here! When I am not teaching I enjoy being outdoors. I like to jog, roller-blade, play tennis, hike, camp, and ski. I also enjoy reading, traveling, and cooking.
