

Class Expectations

1. Be on time, prepared and in your seat quiet.
2. Respect others even when mistakes are made.
3. Raise your hand not your voice when about to speak.
4. Help everyone clean-up in your area
5. Homework is due on time

Grading Scale

A	= 94-100
A-	= 90-93
B+	= 87-89
B	= 84-86
B-	= 80-83
C+	= 77-79
C	= 74-77
C-	= 70-73
D+	= 67-69
D	= 64-66
D-	= 60-63
E	= 0-59

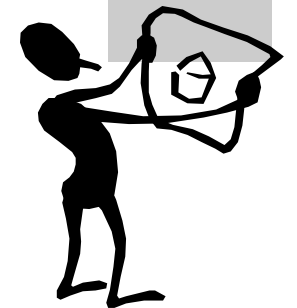

The mission of the art program is to provide all students with structured opportunities to express themselves through the universal language of the arts. They will demonstrate reasoning, memory and problem-solving skills to create well-presented art projects done to their best ability. The student will continue to understand the nature, meaning, and value of art as it helps them to clarify personal perceptions and develop further their personal values.

Art will continue to be a shared experience, integrating such subjects as Spanish, science, reading, history, and others.

It is our hope that they will eventually go beyond the boundaries of accepted wisdom to solve problems and create a new vision for their community.

Visual Arts 3rd-8th Grades

Mrs. Peg Schiller

Dear Parents:

I am excited about the challenges of teaching Art at both Shay and the Middle School. I am optimistic that your child will continue to gain a heightened appreciation for the arts, it's history and creative application. This is a lifelong skill. It is my wish that their art application is not just a destination for them but a continual learning experience throughout their life.

We are limited only by our imagination and environment.

About Me

My family, the Melchings, are originally from Harbor , but I grew up in Midland. My husband and I moved to Petoskey in 1973 and finally here in 1980 when we bought the Gillian Funeral Home. My grandmother taught here and my great uncle owned Walstrom's when it was Melching's Boat Works. We own the Schiller Funeral Chapel. My husband is also the fire chief and on the ambulance board for Emmet County. Our daughter, Kali, is in college. She loves to swim, play volleyball and run track. As a family we love to boat, travel, and spend time with friends.

Over the past 20 years or so, I have taught K-12th art, P.E., journalism, computers, skiing, and swimming. I have coached track, basketball, and skiing.
