

Mrs. Schiller

My family, the Melchings, is originally from Harbor, but I grew up in Midland. My husband and I moved to Petoskey and finally here when we bought the Gillian Funeral Home. My grandmother taught here and my great uncle owned Walstrom's when it was Melching's Boat Shop.

My husband is also the fire chief and on the ambulance board for Emmet County. We love to boat, travel, and spend time with friends.

Over the past 20 years or so, I have taught in a 5th grade classroom, along with art, P.E., journalism, computers, skiing, and swimming K-12. I have coached track, basketball, and skiing. Class Content:: Art history, Problem -solving, Drawing, Ceramics, Painting & Color-theory. Along with the Elements of design, Sculpture, Weaving and other Discipline related projects as they connect to math, English, science etc.

-Art professions

*"Imagination is more important than knowledge"* by Albert Einstein

I am optimistic that your child will continue to gain a heightened appreciation for the arts, it's history and creative application.
