

I am Kelly Compton. This will be my 5th year working in the Title One Program. My first two years were spent in the Middle School and I feel fortunate to have spent the last three years here at Shay Elementary. I will be working with all three grade levels in Language Arts and Math.

I was raised right here in Harbor Springs Michigan, received my bachelor's degree in Elementary Education from the University of Texas at Tyler, and I am a Michigan certified teacher with a minor in Reading. I have one son who attends Michigan State University and I have over 15 years of experience in the Harbor Springs School District.

I am excited about this year and am looking forward to working with your child. Please feel free to contact with me with any concerns or questions.
