

Mr. Moffatt

I am Mr. Brad Moffatt. I teach Elementary Music to Grades 3-5 here at Shay and all choirs and Vocal Music in the Middle School. We have several goals for every child at Shay:

1. To develop their singing voice
2. To develop rhythmic and gross/fine motor skills through instrument playing
3. To experience quality public performances
4. To grow a life-long love of music
5. To learn to read music

We are fortunate to have a separate music room filled with all types of age appropriate instruments. We teach both recorder playing and Orff Instrument playing to each child. We sing everyday. While we do have a lot of work to do, we try to have as much fun as we can while working and making music. Parents are welcome to stop by any morning to see what goes on in the Shay Music Room!
